**MEMORANDUM AND RECOMMENDATION**

Pursuant to the referral by the District Judge, the defendant, the defendant's attorney and the attorney for the government appeared before the undersigned Magistrate Judge on February 6, 2024, for the purpose of the defendant's entry of a plea of guilty. At that time the defendant entered a guilty plea as stated on the record. The Magistrate Judge addressed the defendant personally in open court and, after assuring that the defendant was competent to proceed and had consented to pleading guilty before a Magistrate Judge, admonished the defendant in accordance with Rule 11, Fed. R. Crim. P., of the nature of the charge, the possible penalties, the defendant's constitutional and statutory rights, and the consequences of pleading guilty. The defendant acknowledged understanding these admonishments. The undersigned also addressed the defendant concerning the voluntariness of the guilty plea. Finally, the undersigned assured the existence of a factual basis for the guilty plea. Based upon the answers to the court's questions from the defendant and from counsel, the Magistrate Judge makes the following findings:

1. the defendant is competent to stand trial;
2. the defendant has consented to plead guilty before a Magistrate Judge;
3. the defendant fully understands the nature of the charge and the penalties;

4. the defendant understands defendant's constitutional and statutory rights and desires to waive them;
5. the defendant's plea is freely, knowingly and voluntarily made;
6. the defendant is satisfied with their attorney's representation and has no complaints regarding the attorney's representation of any type; and
7. there is a factual basis for the plea.

### **RECOMMENDATION**

It is, therefore, the recommendation of the Magistrate Judge that the guilty plea be **ACCEPTED** and that a Judgment of guilt be entered against the defendant.
